

Tom Jenks contaminates all economies of tale in this laugh-a-letter frisbee of pun. Multinational corporations, video games, Renaissance poetry, TV shows, medieval archives, app-a-lots, and [s]top chefs all take turns having their hair styled by Samuel Beckett at the Mongolian People's Revolutionary Party disco. Do not miss this opportunity to go streaking with the best tattoo larkest around.

Tina Darragh

Streak Artefacts is as subtle, witty and incisively intelligent a mediation on the reservoirs of language that lie pooling around us as any work of poetry you are likely to come across. It is endlessly humorous, laugh inducing even, but far more than that, it is a work that maintains both its profundity and deference by emphasising its individuality, its uniqueness - it is 100 moments of the present, in all its weird, sad, knobby glory, on this occasion fashioned together and wholly made anew by the interventions of one of the most remarkable British poets of this early century. We will look back to this time and talk about Tom Jenks as a wizard and books like *Streak Artefacts* as magic eggs he was laying.

SJ Fowler

This is a deeply confessional work, though the speaking subject is the hero of the Manchester bus timetable, the reader of a poetastic Percy Sledge, the exegete of the Alan Clark Diaries, or – frankly – someone who cracks his (or her) own nuts. Believe me! Don't listen to Trevor: Google a fancy sausage. Pack a traditional English apple in your rucksack and set out over the indeterminate terrain of these fine traps and tropes. The other day I misheard somebody say 'multiple realism'. I knew I would find a place to use that phrase. It's here. It's all our multiple realisms. Though only Tom Jenks can be proud of having assembled it for us.

1.

at first it seems a little *overstated* : Kinky Ray etc.

his name on that t-shirt [" "] down on the back street I was dreaming of owls
shadows cast across loading bays but : if this was happening to Flann O'Brien ?]

like a digression # here : >>> "Kinky Ray"

have you seen that drawing? it is like you when you are reading
in the lighthouse library a single beam wavering between eclipses
once when they released the moths they filmed it all and put it
on stream viewers: 6] ***** rate #

it's Glenn again : will you ever contact me?

I made those nude pictures especially for you and I wont write to you again!

2.

Hugh Hefner: a sketch in 3 parts ## got pyjamas made out of lizard skin

jazz : aim is simply to illustrate contradictions I was
into him but then he defriended me (v.)

dhe;p etc. ~~ "wilderness" ~

this evening there was : sound of churning fans
on the *sun deck* backgammon with the archbishop
his chintz scatter cushions : his lemon puffs

I had four different panna cotta on the go back then it was a BETTER TIME

mr. glimmmmmers: (pseudonym) turned up collar : "Kinky Ray"

in the tiled tunnel he was enticing cats with treacle toffee

3.

like that time with poached armadillos : *or* wholetail scampi

you shouldn't *coddle* the boy imagine if they did *that* to one of the Klischko's

! big thumbs ! when they shave him with that blowtorch

Blackie Gray as stand in captain in a musical version of Cornelius Cardew scolding a lynx

that flare up over the abandoned maracas

one behind the VCR : one down the garden nr. eating apples

apples : in a paper bag, in outer darkness, beautiful rainwashed

ML : *alter ego* e.g. Clarence "Frogman" Henry. *entranced* face {} like

staring at the back of a spoon : laugh at him now but in 10 years he'll be operating on

your prost[r]ate : his scarlet tunic, his cork soled pumps

4.

ppuma : a game for 3 players [1] "Kinky" Ray [2] ppuma [3] Clarence "Frogman" Henry

"ppuma" pounces on "Kinky" Ray" from highest wardrobe

game over when "Clarence "Frogman" Henry" : a txt message INAPPROPRIATE flag]

self portrait, louche, with a pickled gherkin

self portrait, louche, with a couchant hound.

episode: "inexplicably snubbed at the dog show" docs: charcoal sketches

notorious poodles scanned and uploaded to network drive Q:\sketches\poodles.png]

why a medal] e.g. *heroics in the shrubbery* a designated n. of microseconds | gong ©

some of them wore red or gold shirts; stretched out, libidinous they imagined it

a] an old man depicted on shards b] a karaoke competition won by Beowulf

5.

if you want to know how it was back then, picture a world without stuffed olives [!]

weak, sir, after such an elixir : cream of mushroom : *I was followed coming here*

“Kinky” “Ray” : inappropriate shadows on the antimacassar muz:

[a] overtures of Harold Ringworm [b] tape loops of Count Józef Boruwiński

THIS IS NOT AMBIENT huge hands pulverising custard creams *this box* :

in parlour games cannot remain still perpetually embarrassed : man/woman/dog

to sleep all winter after bottling the apples : back from the temples

abasement at the shrine of Plansy Molars : answer

I would love to but lack the social graces like a] bear a European brown bear

I have a comb over in some pictures I am partly modelled on Tippoo's Tiger

6.

I have a manner with stoats can ease them between seasons

sad eyes of the pandas in the soft play area climbed during a banana moon {

mille-feuille : I am Donald Trump alone in my penthouse with my golden balls

a framing device : by spellbook this ritual : a marrow is measured and placed on a table

not enough *disruption* : as an earwig is cf. : unexpected smell in the overspill car park note]

in glass rooms I am offered solace as you might a dolphin or penguin trip to leisure centre

simple entreaties of captive whales : I am favouring tuna in a summer like this

a cape thrown over the working model a cape thrown over the analogue monitor

an occluded passageway a nook for a wyrm an amulet, charmed, but ineffective

an imagined object a perch for a raven: marginalia: birds often noted, gratuitously

7.

[18:16]: a furtive jay

at the séance, all breaches of etiquette noted: Madame Z., her gewgaws, baubles etc.

a lit cigar appeared in the crosshairs while studying a copy of *Semaphore for Snails*

the buttered loaf enticed the bees, later lying scorched on the chessboard

someone put a goldfish in the vacuum tube : it was as if we had never been abolished

someone must have been telling lies about "Henry" : a game of petanque under *false pretences*

a threat in which a masquerading hypnotist is an evil Brahmin in the Archive of Moustaches

she uses of anti-spasmodic powders like in the mocha they serve on the Death Star

I lean my pike against this stand, right there where she keeps the waffles

the diagrams of Sir Hubert Ladybird-Plate : this arc an arc of waning moon

8.

the moulds of Monsignor Arthur Knock : the catalogued spoons of Stanley Fringe

weight of this on a noble brow as transporting the second heaviest stone

in the library underneath the dome someone has sequestered six bees

cold round moon baleful this accursed pebble in a bowl of muesli

the bungalow inaccessible {} against this tree a menthol cigarette

a concealed lever : a drawing of a bird : under this mines the toiling koalas

back when she was not your wife : your flagrant gifts : those particular fruits

"get the salad out of the way and then we can enjoy ourselves"

sometimes I just eat the malt loaf with my fingers, a Tudor lord

after a hard session of racquet ball or Pong

9.

an altercation at the Beefsteak Club, noted on a marbled ledger

motif a honey badger gorged on pickled walnuts

with the signet ring I employ a method *a mug tree on which a falcon rests*

with this reed pipe I do summon the apes, flashing axes destroy the typewriters

huddled around a laptop for warmth like they used to when the Bosch came over

I would like them to present me with a sealed velvet box for the prophecies:

[a] "inherent nature cannot be tamed it is not mundane nor is it holy"

[b] "one moon appears everywhere long swords against the sky cold and stern"

[c] "one half fat one half flour when the milk curdles a layer of foil"

[d] "there is no such thing as the Tour de France it is not possible to tame a crow"

10.

at the muster point a shivering cur, at the gilded monument a fashioned homage

to the Countess M_____ via the medium of aqua-aerobics

single fishfinger in the pressure cooker : a cat walked in and was denounced

I am wearing the slashed soutane am tested by greate storms, mackerel

a device in which an apple is weathered as honed in the orchards of Tyne and Wear

a tame fox a brace of snipe a stave with which to befuddle a bear

I am Cardinal Wolsey in the colour supplement am surprisingly perpendicular

it is rain falling, an affectation, a dome in which the birds are housed

ermine snoods those buckled shoes "fie! dead for a ducat" etc.

at The Disappointed Goose, a coaching inn, I have tasted many a curious pudding

how the light fell when she took the samples [slim white fingers a ministration
we were talking about the same space in the space, the rules by which a pizza is divided
a collection of politically incorrect baseball caps a Hapsburg hoodie
when the boxes stacked is an empty box at the veterans' rap group I sat down and wept
punk'd : an unexpected jar of non-organic moisturiser : at the drive thru the thrust of a lance
punk'd: an unofficial heron in the mobile library : a sousaphone rings unanswered
when I listed my symptoms I omitted some e.g. that particular *penchant*
am still counting peanuts after all these years when all my friends are on cashews
it is not possible to insert something at random
"It was *"the greatest work of fiction since the Manchester bus timetable."*"

12.

an *aura* of when slicing cucumber as extant in logical space
limits of language " " : when a bird re-enters and rehearses in the mirror
harmony : she does the Weetabix, I the Cheerios / on the Sabbath a yard of pink milk
invariable curdle as moon assembles but then you can just do candy floss
hair as styled by Samuel Beckett at the Mongolian People's Revolutionary Party disco
opening scene : as a lampshade depicting the invention of muesli
when using the tongs a strain that troubles me still
when ordering the coloured cups by strict dialectical significance
in this a blend of wheatgrass and vegetarian Bovril
in this a completely unexpected walnut
